Cosmetic Tattooing from \$400

Softap® is a non-invasive, highly controlled, natural look in semi-permanent makeup.

Medical Treatments - Face and Body Rejuvenation

Anti-wrinkle Injections \$16/unit

Relax facial muscle tension and eliminate wrinkles, frown lines, crows feet and forehead lines.

Dermal Fillers from \$350

A unique range of dermal fillers to enhance, rehydrate and revitalise the skin.

Skin Needling - CIT \$450

Collagen induction therapy works by stimulating your own body's collagen. Working below the surface in the dermis new skin cells are generated & blood supply is enhanced, providing you with a gradual and long lasting enhancement.

PRP - Platelet Rich Plasma \$400

Natural ageing of the skin means that skin texture and appearance deteriorate over time. An exciting new approach to a more natural method of facial rejuvenation, is regeneration with your own cells, more specifically autologous platelet rich plasma.

Permanent Fat Dissolving Treatment from \$1200

The first and only injectable chin treatment that destroys fat cells in the treatment area under the chin to improve your profile.

ThermiSmooth® from \$120

A non-invasive procedure for smoothing fine lines, wrinkles, and sagging skin. A hand-held device delivers radiofrequency energy to the surface of the skin, which heats the cells and stimulates the body's own collagen production.

ThermiVa - Vaginal Rejuvenation \$700

A non-surgical innovative vaginal tightening and rejuvenating treatment. Enjoy an improved sense of well-being, aesthetically and sexually. Used to tighten labial tissue, treat stress incontinence, atrophic vaginitis and tighten the internal vaginal canal.
